(enter total sum pledged before any Gift Aid - if applicable)

Please note that this sum will be included in our calculations when applying for grants and as such should be regarded as a firm commitment.

I have noted and accepted

- . a) That I shall be contacted as soon the Hall's building fund together with promised grants and donations has reached the total necessary to proceed with the works for the Small Hall.
- . b) That the donation I have pledged may be claimed (in whole or in part) as soon as the Hall's Management Committee has entered into a signed contract with its approved contractor, (subject to i) below)
- . c) That donors will be acknowledged in a Donation Record or similar public document unless privacy is requested.

Alternative Project: If the Small Hall Project proves not to be viable: My offer will be withdrawn/ I would be happy to discuss a donation towards other, specific hall improvements.
